

INDEX TO VOLUME 41

The volume is indexed by SUBJECTS, AUTHORS, BOOK REVIEWS, and AUDIO-VISUAL REVIEWS, in that order. A complete table of contents follows the index.

SUBJECTS

Abortion

- Abortion repeal in Hawaii: an unexpected crisis in patient care, 620
- Changing the role of women, 716
- What does equality between the sexes imply?, 747

Advocacy

- Advocacy and democracy: the long view, 43
- Advocacy and the children's crisis, 799
- Advocacy and the children's crisis: an invited commentary, 807
- Joint commission report on children: a reaction, 793
- Whither child advocacy?, 798

American Orthopsychiatric Association

- AOA's president for 1971-72, Eli M. Bower, 340
- Business Meeting, 868
- In memoriam, Henry C. Schumacher, M.D., 873

Behavior Symptoms and Problems

- Experimental analog derived from crisis theory, 822
- Hyperactivity and minor physical anomalies in elementary school children, 602
- Interview model for the psychosituational assessment of children's behavior, 483
- Prevalence of behavior symptoms in younger elementary school children, 136
- Principles of drug therapy in child psychiatry with special reference to stimulant drugs, 371
- Reinforcement therapy for behavior problems in severely retarded children, 124
- Relationship between nursery school behavior patterns and later school functioning, 597

Biology and Physiology

- Hyperactivity and minor physical anomalies in elementary school children, 602
- Some evolutionary aspects of human gender, 710

Child Abuse

- Ecology of child abuse within a military community, 675

Child Psychiatry

- Child psychotherapy in a new era, 58
- Community child psychiatry: evolution and direction, 350
- Developmental theory: unsolved problem for child psychiatry, 557
- Object concept in deviant children, 473
- Principles of drug therapy in child psychiatry with special reference to stimulant drugs, 371

Child Rearing and Development

- Acceptance of the concept of the maternal role by behavioral scientists: its effects on women, 733
- Impact of the women's liberation movement on child development books, 725
- Joint commission report on children: a reaction, 793
- Some evolutionary aspects of human gender, 710
- Whither child advocacy?, 798

Children

- Acceptance of the concept of the maternal role by behavioral scientists: its effects on women, 733
- A child is being beaten, 540
- Advocacy and the children's crisis, 799
- Advocacy and the children's crisis: an invited commentary, 807
- Child psychotherapy in a new era, 58
- Community child psychiatry: evolution and direction, 350
- Ecology of child abuse within a military community, 675
- Effectiveness of an enrichment program for disadvantaged young children, 442
- Examiner effect in IQ testing of Puerto Rican working-class children, 809
- Experimental analog derived from crisis theory, 822
- Family group therapy for children with self-induced seizures, 506
- Impact of the women's liberation movement on child development books, 725
- Interview model for the psychosituational assessment of children's behavior, 483

Joint commission report on children: a reaction, 793

Object concept in deviant children, 473

Parent and child centers: their basis in the behavioral and educational sciences, 13

Parent and child centers: an invited critique, 39

Prevalence of behavior symptoms in younger elementary school children, 136

Reinforcement therapy for behavior problems in severely retarded children, 124

Relationship between nursery school behavior patterns and later school functioning, 597

Whither child advocacy?, 798

Clinic Operation

Abortion repeal in Hawaii: an unexpected crisis in patient care, 620

Inner city: setting, subgroups, psychopathology and services, 168

Milieu characteristics of successful psychiatric treatment programs, 427

Some distinguishing features of patients failing to attend a psychiatric clinic after referral, 581

Some effects of a white institution on black psychiatric outpatients, 589

Urban problems and the community mental health center: multiple mandates, difficult choices, 144

Community Mental Health

Advocacy and democracy: the long view, 43

Community child psychiatry: evolution and direction, 350

Effect of consumer control on the delivery of services, 501

Emergence of community development corporations in urban neighborhoods, 646

Emotional disorder as a social problem: implications for mental health programs, 638

Inner city: setting, subgroups, psychopathology and services, 168

Parent and child centers: their basis in the behavioral and educational sciences, 13

Parent and child centers: an invited critique, 39

Professionals' participation in community activities: is it part of the job?, 494

Public institutions: their war against the development of black youth, 65

Reaction to socio-documentary film research in a mental health clinic, 91

Some distinguishing features of patients failing to attend a psychiatric clinic after referral, 581

Urban problems and the community mental health center: multiple mandates, difficult choices, 144

Working with black fathers, 465

Consumer Control

Advocacy and democracy: the long view, 43

Advocacy and the children's crisis, 799

Advocacy and the children's crisis: an invited commentary, 807

Effects of consumer control on the delivery of services, 501

Emergence of community development corporations in urban neighborhoods, 646

Public institutions: their war against the development of black youth, 65

Working with black fathers, 465

Day Care

Acceptance of the concept of the maternal role by behavioral scientists: its effects on women, 733

Impact of the women's liberation movement on child development books, 725

Parent and child centers: their basis in the behavioral and educational sciences, 13

Parent and child centers: an invited critique, 39

What does equality between the sexes imply?, 747

Depression

Social role performance of depressed women: comparisons with a normal group, 390

Diagnosis and Classification

Behavioral perspectives on psychosocial classification, 843

Multi-disciplinary psychosocial classification scheme, 830

Notes on psychosocial diagnosis, 846

Problems of training in the application of a new system of classification for the psychosocial disorders, 841

Psychosocial diagnosis: what and why?, 847

Response to the threat of a classification scheme for the psychosocial disorders: some specific suggestions, 838

Disadvantaged Children

Advocacy and the children's crisis, 799

Advocacy and the children's crisis: an invited commentary, 807

Effectiveness of an enrichment program for disadvantaged young children, 442

Joint commission report on children: a reaction, 793

Parent and child centers: their basis in the behavioral and educational sciences, 13

Parent and child centers: an invited critique, 39

Public institutions: their war against the development of black youth, 65

Vulnerability research and the issue of primary prevention, 101
Whither child advocacy?, 798

Drugs

Principles of drug therapy in child psychiatry with special reference to stimulant drugs, 371

Education

Changing the role of women, 716
Effectiveness of an enrichment program for disadvantaged young children, 442
Parent and child centers: their basis in the behavioral and educational sciences, 13
Parent and child centers: an invited critique, 39
Psychosocial aspects of academic achievement, 406
Stages of group development in an experimental ghetto program, 659
What does equality between the sexes imply?, 747

Enrichment Program

Effectiveness of an enrichment program for disadvantaged young children, 442
Parent and child centers: their basis in the behavioral and educational sciences, 13
Parent and child centers: an invited critique, 39

Ethical Concerns (Professional Ethics)

Abortion repeal in Hawaii: an unexpected crisis in patient care, 620
A child is being beaten, 540
Clarification of the psychiatrist's dilemma while in military service, 672
Knowledge is neither neutral nor apolitical, 344
Principles of drug therapy in child psychiatry with special reference to stimulant drugs, 371
Psychiatry and the draft, 85

Family Structure

Acceptance of the concept of the maternal role by behavioral scientists: its effects on women, 733
Changes in the modern family: their impact on sex roles, 757
Single woman in today's society: a reappraisal, 776
What does equality between the sexes imply?, 747

Film Research

Reaction to socio-documentary film research in a mental health clinic, 91

Group Therapy

Family group therapy for children with self-induced seizures, 506

Homosexuality

Territoriality and homosexuality in a male prison population, 510
What does equality between the sexes imply?, 747

Infant Development

Acceptance of the concept of the maternal role by behavioral scientists: its effects on women, 733
Impact of the women's liberation movement on child development books, 725
Individual differences at birth: implications for early experience and later development, 608

International Reports

Inner city: setting, subgroups, psychopathology and services, 168
What does equality between the sexes imply?, 747
Women in the kibbutz, 566

IQ and Testing

Examiner effect in IQ testing of Puerto Rican working-class children, 809
Longitudinal course of measured intelligence in preschool children of different social and ethnic backgrounds, 416

Kibbutz

Women in the kibbutz, 566

Language

Changing the role of women, 716
Psychological conflict in Negro American language behavior: a case study, 627
Invited commentary on psychological conflict in Negro language behavior, 636

Lead Poisoning

Knowledge is neither neutral nor apolitical, 344
Public institutions: their war against the development of black youth, 65

Marriage

Changes in the modern family: their impact on sex roles, 757
Separating and joining influences in courtship and early marriage, 450
Single woman in today's society: a reappraisal, 776
What does equality between the sexes imply?, 747

Maternal Role

Acceptance of the concept of the maternal role by behavioral scientists: its effects on women, 733

Mental Health Nonprofessionals

Effects of consumer control on the delivery of services, 501

Parent and child centers: their basis in the behavioral and educational sciences, 13

Parent and child centers: an invited critique, 39

Working with black fathers, 465

Mental Health Professionals

Advocacy and democracy: the long view, 43

Clarification of the psychiatrist's dilemma while in military service, 672

Effects of consumer control on the delivery of services, 501

Professionals' participation in community activities: is it part of the job?, 494

Psychiatry and the draft, 85

Mental Health Systems

Behavioral perspectives on psychosocial classification, 843

Impact of the women's liberation movement on child development books, 725

Milieu characteristics of successful psychiatric treatment programs, 427

Multi-disciplinary psychosocial classification scheme, 830

Notes on psychosocial diagnosis, 846

Problems of training in the application of a new system of classification for the psychosocial disorders, 841

Psychosocial diagnosis: what and why?, 847

Response to the threat of a classification scheme for the psychosocial disorders: some specific suggestions, 838

Some distinguishing features of patients failing to attend a psychiatric clinic after referral, 581

Some effects of a white institution on black psychiatric outpatients, 589

Urban problems and the community mental health center: multiple mandates, difficult choices, 144

Mental Retardation

Object concept in deviant children, 473

Reinforcement therapy for behavior problems in severely retarded children, 124

Milieu Therapy

Milieu characteristics of successful psychiatric treatment programs, 427

Reinforcement therapy for behavior problems in severely retarded children, 124

Military and the Draft

Clarification of the psychiatrist's dilemma while in military service, 672

Ecology of child abuse within a military community, 675

Psychiatry and the draft, 85

Young American expatriates in Canada: alienated or self-defined?, 74

Myths

Cosmic optimism in some Genesis myths, 380

Parent-Child Interaction

Acceptance of the concept of the maternal role by behavioral scientists: its effects on women, 733

Changes in the modern family: their impact on sex roles, 757

Family group therapy for children with self-induced seizures, 506

Impact of the women's liberation movement on child development books, 725

Parent and child centers: their basis in the behavioral and educational sciences, 13

Parent and child centers: an invited critique, 39

Reaction to socio-documentary film research in a mental health clinic, 91

Separating and joining influences in courtship and early marriage, 450

What does equality between the sexes imply?, 747

Preconscious Processes

Sensory deprivation, preconscious processes and scientific thinking, 574

Primary Prevention

Evaluation and validation of research data in primary prevention, 117

Hyperactivity and minor physical anomalies in elementary school children, 602

Knowledge is neither neutral nor apolitical, 344

Relationship between nursery school behavior patterns and later school functioning, 597

Vulnerability research and the issue of primary prevention, 101

Psychiatric Research

Vulnerability research and the issue of primary prevention, 101

Psychological Research and Theory

Experimental analog derived from crisis theory, 822

Longitudinal course of measured intelligence in preschool children of different social and ethnic backgrounds, 416
 Psychological consequences of sexual inequality, 767
 Psycho-social aspects of academic achievement, 406
 Reaction to socio-documentary film research in a mental health clinic, 91
 Sensory deprivation, preconscious processes and scientific thinking, 574
 Social role performance of depressed women: comparisons with a normal group, 390
 Who should be studied?, 4

Psychotherapy

Child psychotherapy in a new era, 58

Racial Factors

Public institutions: their war against the development of black youth, 65
 Some effects of a white institution on black psychiatric outpatients, 589
 Urban problems and the community mental health center: multiple mandates, difficult choices, 144
 Who should be studied?, 4

Research, Structure of

Evaluation and validation of research data in primary prevention, 117
 Examiner effect in IQ testing of Puerto Rican working-class children, 809
 Knowledge is neither neutral nor apolitical, 344
 Milieu characteristics of successful psychiatric treatment programs, 427
 Urban problems and the community mental health center: multiple mandates, difficult choices, 144
 Vulnerability research and the issue of primary prevention, 101

Social and Economic Issues

A child is being beaten, 540
 Advocacy and democracy: the long view, 43
 Advocacy and the children's crisis, 799
 Advocacy and the children's crisis: an invited commentary, 807
 Changing the role of women, 716
 Changes in the modern family: their impact on sex roles, 757
 Emergence of community development corporations in urban neighborhoods, 646
 Emotional disorder as a social problem: implications for mental health programs, 638
 Joint commission report on children: a reaction, 793
 Psychiatry and the draft, 85

Public institutions: their war against the development of black youth, 65
 Single woman in today's society: a reappraisal, 776
 What does equality between the sexes imply?, 747
 Whither child advocacy?, 798
 Women's movement: social and psychological perspectives, 708

Social Role and Sex Role

Acceptance of the concept of the maternal role by behavioral scientists: its effects on women, 733
 Changing the role of women, 716
 Changes in the modern family: their impact on sex roles, 757
 Psychological consequences of sexual inequality, 767
 Single woman in today's society: a reappraisal, 776
 Social role performance of depressed women: comparisons with a normal group, 390
 Some evolutionary aspects of human gender, 710
 What does equality between the sexes imply?, 747
 Women in the kibbutz, 566
 Working with black fathers, 465

Sociocultural

Abortion repeal in Hawaii: an unexpected crisis in patient care, 620
 Acceptance of the concept of the maternal role by behavioral scientists: its effects on women, 733
 Changing the role of women, 716
 Changes in the modern family: their impact on sex roles, 757
 Impact of the women's liberation movement on child development books, 725
 Invited commentary on psychological conflict in Negro language behavior, 636
 Longitudinal course of measured intelligence in preschool children of different social and ethnic backgrounds, 416
 Parent and child centers: their basis in the behavioral and educational sciences, 13
 Parent and child centers: an invited critique, 39
 Psychiatry and the draft, 85
 Psychological conflict in Negro American language behavior: a case study, 627
 Psycho-social aspects of academic achievement, 406
 Public institutions: their war against the development of black youth, 65
 Single woman in today's society: a reappraisal, 776

Some effects of a white institution on black psychiatric outpatients, 589

Some evolutionary aspects of human gender, 710

Urban problems and the community mental health center: multiple mandates, difficult choices, 144

What does equality between the sexes imply?, 747

Who should be studied?, 4

Women in the kibbutz, 566

Women's movement: social and psychological perspectives, 708

Young American expatriates in Canada: alienated or self-defined?, 74

Territoriality

Territoriality and homosexuality in a male prison population, 510

Urban Problems

Emergence of community development corporations in urban neighborhoods, 646

Inner city: setting, subgroups, psychopathology and services, 168

Public institutions: their war against the development of black youth, 65

Stages of group development in an experimental ghetto program, 659

Urban problems and the community mental

health center: multiple mandates, difficult choices, 144

Working with black fathers, 465

Women

Acceptance of the concept of the maternal role by behavioral scientists: its effects on women, 733

Changing the role of women, 716

Changes in the modern family: their impact on sex roles, 757

Medical womanpower: a statistic goes "astray," 348

Psychological consequences of sexual inequality, 767

Single woman in today's society: a reappraisal, 776

Social role performance of depressed women: comparisons with a normal group, 390

What does equality between the sexes imply?, 747

Women's movement: social and psychological perspectives, 708

Women in the kibbutz, 566

Youth/Students

Psychiatry and the draft, 85

Stages of group development in an experimental ghetto program, 659

Young American expatriates in Canada: alienated or self-defined?, 74

CONTENTS OF VOLUME 41

JANUARY

THEORY AND REVIEW

Who Should Be Studied? <i>Elizabeth Herzog</i>	4
Parent and Child Centers: Their Basis in the Behavioral and Educational Sciences <i>J. McV. Hunt</i>	13
Parent and Child Centers: An Invited Critique <i>Edmund W. Gordon</i>	39
Advocacy and Democracy: The Long View <i>Alan E. Guskin and Robert Ross</i>	43
Child Psychotherapy in a New Era <i>Povl W. Toussieng</i>	58

CLINICAL

Public Institutions: Their War Against the Development of Black Youth <i>David A. Anderson</i>	65
The Young American Expatriates in Canada: Alienated or Self-Defined? <i>Carl L. Kline, Katherine Rider, Karen Berry and J. McRee Elrod</i>	74
Psychiatry and the Draft <i>Robert H. Ollendorff and Paul L. Adams</i>	85
Reaction to Socio-Documentary Film Research in a Mental Health Clinic <i>Richard Chalfen and Jay Haley</i>	91

RESEARCH

Vulnerability Research and the Issue of Primary Prevention <i>Norman Garnezy</i>	101
Evaluation and Validation of Research Data in Primary Prevention <i>John C. Flanagan</i>	117
Reinforcement Therapy for Behavior Problems in Severely Retarded Children <i>Bruce L. Baker and Michael H. Ward</i>	124
The Prevalence of Behavior Symptoms in Younger Elementary School Children <i>John S. Werry and Herbert C. Quay</i>	136

DELIVERY OF SERVICES

Urban Problems and the Community Mental Health Center: Multiple Mandates, Difficult Choices	
1. Background and Current Status <i>Robert L. Leopold</i>	144
2. The Impact on Research and Evaluation <i>Lee W. Yudin and Stephen I. Ring</i>	149
3. Race Relations: A Pervasive Issue <i>Alfred B. Herbert and Lawrence Schein</i>	158
The Inner City: Setting, Subgroups, Psychopathology and Services <i>Saul V. Levine</i>	168

REVIEWS OF THE LITERATURE

Reviews by: <i>Carl L. Kline, H. G. Whittington, Milton Schwebel, Sylvan S. Furman, Emanuel K. Schwartz, and Albert Ellis</i>	178
